January 2025

Dear Class of 2015,

Gentlemen, it's hard to believe, but 2025 marks 10 years since we walked through the arch and graduated from Wabash College.

Ten years—time flies, doesn't it? While we may be feeling a bit older, this milestone is a reason to celebrate. It's finally our year! [Big Bash](#) for class years ending in 0s and 5s is set for **June 6–8, 2025**. Mark your calendars, and stay tuned—registration will open in late January or early February.

As part of our 10-year reunion, let's make this year one to remember—not just by showing up in record numbers but also by stepping up in terms of giving back. Wabash continues to shape the next generation of students, and your gift can make a real difference.

Please consider making a contribution to support the College and Wabash men in 2025 and beyond. It's easy to give—click [here](#) to find out how.

Here are some other news and events from the College over this past year:

Wabash Trustee Aman Brar '99 captured the spirit of the occasion best: "We're so incredibly lucky to have this rivalry. 0-10, 10-0, and every record in between. Playoffs or no playoffs. We always have meaning. Something to fight for. Always a reason to be our best. A reason to push ourselves to do more in our community; for our city; for our country. Because a rivalry like the Monon Bell teaches and pushes us to be our best." ([photos](#))
